Star Of The Week

Congratulations to Isabella YR, Finn Y1, Matilda Y2, Maisie Y3, Lillie Y4, Meg Y5 and Arash Y6, who were awarded Star of The Week for their class last week and will be presented with their certificate in Celebration Worship on Friday 10th June

Well done to you all.

A Note from the Headteacher

I am pleased to be able to inform you that Mrs Phillips, our year 3 teacher, is expecting a baby and will be leaving to take maternity leave in mid-September. This is an exciting time for Mrs Phillips and her husband as they start a family together. We send them congratulations and our very best wishes.

We are currently in the process of recruiting a new member of staff for September to cover Mrs Phillips' absence and I will of course inform you of our staffing arrangements for September 2024 as soon as I am able to do so.

Mrs Milhavy-Jones

Headteacher

Year 4 Visit to Field Studies Council Centre

Year 4 children had a fantastic visit last week to the Field Studies Council (FSC) site in Bishops Wood, Stourport. The children took part in an immersive day learning all about the Vikings and Viking life.

On arrival, we were greeted by our fantastic host Rachel, who let us investigate a range of Viking artefacts and listened to the hundreds of questions the children fired at her about Viking life. We then explored the fantastic grounds and began our own Viking journey on a customised Viking longship to find new lands and make our own Viking Settlement. The children let their imaginations run wild as they sang Viking songs and discussed what life would be like in their new settlement.

They then had the opportunity to explore a Viking house and play traditional Viking games, make metal jewellery in the Viking forge, and even had time to make Viking artefacts out of clay and practise wool spinning in the Viking Pottery—all before lunch!

The afternoon was spent den building using natural resources from the woodland area and learning about how Vikings survived. We finished our day by watching as Rachel showed us how to create our own fire using flint, iron and straw. We watched on in amazement as she demonstrated what the Vikings learnt to do with natural resources. A great day was had by all - we certainly learnt a lot about what life was during Viking times. Many thanks to everyone who supported us on the visit, and to those who helped us to arrange a great day out!

St Mary's Football Team Visit to Molineux Stadium

St. Mary's were invited to take part in the Wolves Foundation Primary School Cup 2024 this week.

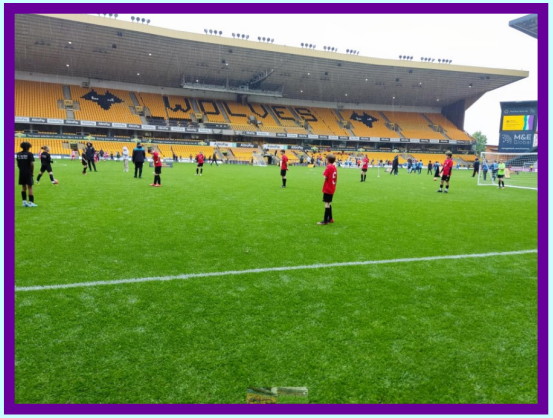
Mr Holmes selected 10 pupils from the St. Mary's football squad to take part.

Match report by Molly and Archie:

Our experience at Molineux was a memory we certainly won't forget. It was fun and challenging; we did face a few difficulties but overall it was an amazing opportunity. Our team worked exceptionally hard, making it impossible to believe that we were unable to get a win. Although the other teams we played against were very experienced, we still had a good game against them. Our first game was against one of the best teams in the whole tournament – Brewood Middle. They won 3-0 but we kept our heads up and went into the next match on a high. The next team we played were the tournament winners, a very tough start. We scored the first goal, which gave us a boost of confidence, however, they managed to score a goal when our guard was down, as we thought it was out for a throw-in.

We then faced the opponents from Field View. We had multiple shots on goal although all of them were saved. But fortunately, so were the other team's goals. We scored right at the end but it was after the whistle had blown. Our final game was against St Stephen's, who were a very skilful team. They were able to score 4 goals by the end of the match. We knew we hadn't qualified for the knockout stages but Wolves Foundation were nice enough to let us play an extra match.

Last but not least, Bantock were a team with more strength than skill. We were able to get the ball and have a run but they pushed us off the ball before we could take a shot and the game ended 0-0. In conclusion, our Molineux trip was one of the best things we have done during our time at school.



A huge thank you to Val's family business, All Vehicle Contracts Ltd, who sponsored our fantastic new football kit
