7th March 2024

Dear Parents,

In the lead up to SATs examinations (taking place during the week of 13th May – 17th May), we would like to offer some extra sessions to all Year 6 children that will take place before school begins. On **Monday** and **Wednesday** mornings, all Year 6 pupils will be invited into school at 8:15am, instead of the normal 8:45am, to complete some extra booster work. This will supplement the work we are doing in class and it is completely optional to attend.

If you feel your child would benefit from this, please have them arrive at school by 8:15am, beginning Monday 11th March. The children will enter the building from the main entrance. If your child is already at breakfast club, we will collect them from the Ark staff.

This will continue until the week prior to SATs week – a text notification will be sent to confirm that boosters have ended during this week.

Many thanks for your continued support with your child's education,

Mr Holmes
Deputy Headteacher
