Dear Parents/Carers,

PARKING REMINDER

I am writing to ask that all parents and carers park and drive safely, following the rules of the road, whilst dropping off and picking up outside of school at the beginning and end of the school day. There was a very near miss this morning and I am worried that we will soon have an accident which puts our children at risk. I appreciate that drop off and pick up can be busy and also frustrating for parents, but it cannot result in driving, or parking which is dangerous. Please consider not using your car if you are able to, or parking outside of Shaw Lane and then walking the short distance to school.

Please follow this advice carefully:

Between 8:30am - 9:05am and 3:00pm - 3:30pm:

- Do not park on or behind double yellow lines
- Do not park on the zigzag markings (we have been in touch with the Council to inform them that these need repainting)
- Do not park on kerbs or pavements
- Do not enter the school car park unless you have a blue badge.
- If you have a blue badge, please consider whether you do need to use the car park as we only have one disabled parking bay

We are currently putting systems into place so that from September, the school gates will be closed to cars during drop off and collection. I ask for your support with this as my highest priority has to be the safety of children, staff and parents.

With kindest regards,

Nathalie Milhavy-Jones
