Monday 5th February 2024

Dear Parents/Carers,

World Book Day – Community Reading Event

Following on from World Book Day on Thursday 7th March 2024, Albrighton Parish Council, Albrighton library and our school have planned to hold a community reading event.

On **Wednesday 13th March 2024**, we will be taking Years 1 and 2 down to Albrighton Library where they will be asked to share their favourite book with an elderly resident from the village. On this day, we would ask that children bring their favourite book into school with them and also that they are happy to talk a little about it and what they like about it. The visit will take place during school hours and children will walk down to the library and back to school accompanied by school staff where they will be met by one of the librarians and a representative from Albrighton Parish Council.

If your child has a Grandparent who lives in Albrighton, or close ties to an elderly resident who would like to receive an invitation to this event, please let us know via the school text service by no later than Wed 21st February 2024. Members of the Melville Club will also be invited.

We hope this event will be a good opportunity to further promote a love of reading to our children whilst also fostering positive links between school and the local community.
